PRABHJOT SINGH

COLLEGE STUDENT

CONTACT

- +91-98786-14598
- sahejdhingra6@gmail.com
- Goraya, Punjab, 144409
- https://github.com/Sahej98

TECH SKILLS

- HTML, CSS, JavaScript, React
- Node.js, Express.js, PHP
- MySQL, Mongodb
- Java, C++, C# (Basics)

SOFT SKILLS

- Logical Reasoning
- Problem Solving
- Time Management
- Adaptability
- Critical Thinking

INTERESTS

- Programming
- Web Development
- Exploring AI Tools
- Graphic Design & Animation

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Punjabi (Fluent)

PROFILE

Motivated and detail-oriented BCA student specializing in Full Stack Development at GNA University. Passionate about building responsive and dynamic web applications. Strong foundation in programming and web development with hands-on experience in real-world projects and a keen interest in modern technologies and design.

PROJECTS

Academia - PHP

- Developed a fully functional web application to manage academic operations such as student records, attendance tracking, faculty registration, and course assignments.
- Integrated dynamic forms and secure login for admin and faculty panels.
- Focused on creating a structured backend using MySQL and designed a clean, responsive interface with front-end technologies.

Tourism Website - React

- Created an interactive single-page application for showcasing tourism spots in India.
- Implemented dynamic routing and modular components using React.js.
- Enhanced user experience with animations and responsive design for mobile and desktop compatibility.

Game Launcher - Java

- Developed a desktop application to launch installed Java-based games from a central interface.
- The launcher reads from a configuration file and displays available games in a user-friendly GUI.
- The launcher also show the game icon and sorts the game in an alphabetical order.
